THIS IS UNEVALUATED INFORMATION

1. As of 1 January 1955, ~~compound economy~~ (Verbundwirtschaft) was introduced for those enterprises under the Main Administration for Liquid Fuels in Production Area Chemistry of the East German Ministry for Heavy Industry which produce tar distillation products. The enterprises in question are VEB Teerverarbeitungswerk Koepsen, VEB Teerverarbeitungswerk Webau, Veb Teerverarbeitungswerk Rositz, and VEB Fabrik fuer Teerprodukte Boesdorf. Beginning 1 January 1955, these enterprises were no longer to produce final products of tar distillation but were to ship their distillates for final processing to one of the three following enterprises:
- a. VEB Hydrierwerk Zeitz
  - b. VEB Kombinat Otto Grotewohl, Boehlen
  - c. VEB Walter Ulbricht, Leuna
2. The only enterprise under the Main Administration for Liquid Fuels which was to continue to process tar distillates into liquid fuels was VEB Kombinat Goelzau.
3. VEB Teerverarbeitungswerk Koepsen and VEB Teerverarbeitungswerk Webau were combined under the same administration as of 1 January 1955, as planned late in 1954<sup>1</sup>.
